

TAKING THE LEAD IN EDUCATION

Automatic Fire Alarm Association of New England

What you need to know about Permitting Documentation

May 24, 2017 Dinner Meeting

*Last year we told you What documents you would need,
In May we tell you the Who and the How!*

**Hosted by AFAA-NE Featuring:
Featuring Kurt Ruchala and Kevin Cox of Jensen Hughes**

Some of the highlights are:

- **Increase in graduating FPOs from the Academy**
- **Documentation Requirements for:**
 - **Tier 1 (Bid & Permits)**
 - **Tier 2 (Shop Drawings)**
 - **Tier 3 (As-Built Drawings)**
- **Doing it right the first time**
- **Best vs acceptable practices and the liabilities inherent in the choices**
- **The role of the FPE**
- **3rd Party on-site Engineers (the Good the Bad and the Ugly)**

This will prove to be one of those Must See presentations. We all struggle with the need to satisfy the AHJs vs keeping the time and cost of documentation preparation real. This presentation will lay aside all of the conjecture and give you the facts you need to succeed.

Before you register, please think of a question you have for the speakers, at the on-line registration there will be a place to write your question down and all questions will be addressed if time allows.

We are expecting a full house for this exciting and informative meeting so Register Early!

So please come have a sumptuous buffet dinner and join in on this informative and interactive evening!

More info and registration on the back...

Convenient location:

Double Tree
Westborough
5400 Computer Drive,
